

PRAYER OF THE 52nd INTERNATIONAL EUCHARISTIC CONGRESS OF BUDAPEST (HUNGARY)

We give you thanks
Lord Jesus Christ,
because, in the Eucharist, source of love,
you gather your people and nourish them
with the Bread of Life and the Chalice of Salvation;
the memorial of your passion, death and resurrection.
The strength that you give us
through your sacrifice and your presence
enables us to be for others
bread which nourishes and wine which gives joy,
and humble servants of reconciliation
between churches and nations,
proclaiming in action and in word
that you alone are the Lord,
the source of every life.

Amen.
